To Correspondents:

1. Order early so that you may get the varieties and grades you prefer. All orders should be legibly written on a separate sheet, and not mixed up with the body of the letter, thereby saving us a great deal of trouble, and tending to prevent mistakes.

2. Articles furnished at the prices named: Five at ten rate; fifty at the hundred rate; five hundred at the thousand rate.

3. To avoid errors state by which route you wish the plants to be forwarded; otherwise we will send them as we deem best for the purchaser.

4. All trees and plants are carefully packed in the best manner, for which a small charge is made, sufficient to cover cost of material used, except cash accompanies the order. No charge will be made for delivery of packages to the railroad and steamers or express offices.

All plants will be delivered free of charge in the City of San Francisco.

5. All articles are at the risk of the purchaser after being shipped. We must not be held responsible for any loss or delay that may occur through the negligence of the transportation companies.

6. Orders from unknown correspondents must be accompanied by the cash or satisfactory reference. Orders to be sent C. O. D. must be accompanied by at least one-half the amount in cash.

7. If any mistakes are made in filling orders, we will cheerfully rectify the same, but must respectfully request our customers to notify us at once, or, at the most, within ten days after receipt of goods.

8. All communications should be addressed to
